Sir:

It is requested that a Certificate of Correction be issued in the above entitled patent in accordance with the accompanying form PTO 1050. Please make the following correction:

- 1) Claim 1, Column 28, line 26, the definition of substituent X should read "X is 6" instead of "X is 56".

MAY 17 2006

A completed Form PTO 1050 in duplicate is also enclosed.

The amendment filed on September 9, 2002 added claim 14 which became claim 1 of the patent. Claim 14 correctly states that "X is 6". Therefore, this error appears to be an Office mistake and it is believed that there are no fees associated with this procedure.

Should any further fee be required, the Commissioner is authorized to charge such fee to Deposit Account No. 50-0320.

It is clear that the requested changes do not constitute new matter and this application does not require re-examination.

Respectfully submitted,
